

30<sup>th</sup> March 2020

Dear Users,

Due to the Coronavirus Pandemic Response Community Centre will be closed until further notice, and all of our classes and meetings have now been suspended.

We're calling on everyone to follow the rules, to stay at home and to stay safe in order to protect the elderly and most vulnerable the NHS and to save lives. Please ensure that you keep your social distance when you are out on the street or shopping.

These rules aren't optional. They are to stop the spread of coronavirus (**COVID-19**) so fewer people can suffer.

To keep updated about the help and support that is available to the elderly and most vulnerable living in Earls Court and the surrounding area.

Please check our Twitter page at **@Earls\_\_Court** on a daily basis.

(Please Note: type two underscores) 

**#StayHomeSaveLives**

- Stay at home**
  - ▶ Reduce the spread of coronavirus and stay at home.
  - ▶ We can all do our part to help save lives and one vital way is staying home.
- Shop responsibly**
  - ▶ When you do need to shop, please remember to only get the items you need.
  - ▶ We're all in this together and you can help others by being responsible.
- 2m Social distancing**
  - ▶ It's great to get out there and move but please **remember to keep at least 2 metres** if you need to go outside.
- Virtually connect**
  - ▶ Keeping in contact with your friends, family and neighbours is one great thing you can do to keep spirits high.
  - ▶ You can do so via call, texting or a virtual hangout.
